

Facilities at a Glance

An abundance of overnight accommodations

is another advantage St. Charles offers for corporate gatherings, SMERF meetings and sports events. From the nationally-acclaimed Q Center for corporate training, and the superb entertaining and dining at Pheasant Run Resort, to the riverfront ambience of downtown's Hotel Baker, to nine comfortable select service hotels, St. Charles is the natural choice for any event.

Convenient to O'Hare and Midway Airports and Metra rail lines into the city, St. Charles is located between I-90 and 88 and is less than 15 minutes from I-355. DuPage Airport's corporate field is just minutes from our eastern boundary.
